### Flood and Peterson Honored at National Sales Conference

DES MOINES, IA – Brian Schiller, Vice President of Flood and Peterson in Greeley, CO was recently recognized at the Nationwide® national Farm sales conference held in Bonita Springs, Florida, as one of the company's leading writers of farm insurance.

The annual FAST Track Conference was held in recognition of top-producing agents in sales of new farm insurance policies during the 2014 calendar year.

“Our FAST Track Conference recognizes agents who have made the commitment to specialize in farm insurance -- an increasingly complex line of business,” said Joel Feller, Sales Development Director, Nationwide, Des Moines. “As the number one insurance writer of farms and ranches in the country, we're proud to acknowledge agents who excel in doing so.”

While more than 6400 agencies write farm insurance for Nationwide, only 65 qualified for the 2014 FAST Track Conference.

“Congratulations to Flood and Peterson on reaching this level of recognition,” said Feller, “and for their ongoing dedication to protecting Colorado farmers.”
